PLAN CAREFULLY ANTICIPATE CHALLENGES

To get the most of a journey, we plan out the details of the path.

The journey is as important as the destination.

**Challenges
are what
make life
interesting
and
overcoming
them is
what
makes life
meaningful.**

Working towards your dreams is one of the most difficult things to do. There will be times when you just want to quit, you will wish you hadn't started and you will feel like the weight of the world is on your shoulders.....

**Remain focused and strong because
once you achieve your goal and look
back on what you have been
through, you will realize that it was
worth all the sacrifices that you made.
