Title: The Digital Classroom - An Approach to Incorporating IETs into ABE and ESL

Presentation Abstract: Incorporating IETs into the Adult Education Classroom, both ABE and ELL, has become a requirement. The purpose of this presentation is to assist teachers with the transition into including IETs into their classroom by using free Google tools.

Bio Presenter 1: Adrienne Carrol has nearly 10 years' experience teaching adult basic education while also focusing on curriculum development and digital literacy in the ABE classroom. Adrienne holds a BA from Ball State University in Social Studies Secondary Education with a minor in English.

Bio Presenter 2: Amelia Boggess is an ESL teacher with over five years' experience working in diverse communities on issues of education, civic engagement, curriculum development, career preparation, and cultural acquisition. Amelia attended Valparaiso University, where she graduated with a BA in English.
